We may also make periodic searches at CRAs to help us manage the account. We will also undertake identity searches on Directors named in the application and any shareholders with a holding of at least 25%.

To do this, we will supply personal information to CRAs and they will give us information in return. This will include information from your credit application and about your financial situation and financial history. - Verify the accuracy of the data you have provided to us;
- Prevent criminal activity, fraud and money laundering;
- Manage your account(s); and
- Trace and recover debts.

As a Guarantor we will not exchange information about you with CRAs during the relationship with us. The performance for the agreement to which you are a guarantor will not impact your credit profile unless a County Court Judgement is obtained against you, for non-payment/breach of contract.

When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.
