Important – USE OF YOUR INFORMATION

In order to process and assess the application, we will perform credit and identity checks on any named guarantor with one or more credit reference agencies ("CRAs"). We may also make periodic searches at CRAs to help us manage the account. We will also undertake identity searches on Directors named in the application and any shareholders with a holding of at least 25%

To do this, we will supply personal information to CRAs and they will give us information in return. This will include information from your credit application and about your financial situation and financial history. - Verify the accuracy of the data you have provided to us;
- Prevent criminal activity, fraud and money laundering;
- Manage your account(s); and

Guarantors

As a Guarantor we will not exchange information about you with CRAs during the relationship with us. The performance for the agreement to which you are a guarantor will not impact your credit profile unless a County Court Judgement is obtained against you, for non-payment/breach of contract.

When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.
