For non-regulated loans, borrowers may choose, or we may require them to service all or part of the monthly interest instalments.

Early Repayment

All of our loans are flexible, and you can overpay by amounts of not less than £10,000 and redeem your loan in full without any early repayment charge except for the first month where the balance of the interest due for that month is payable.

Consequences of Non-Compliance

As a last resort, your home may be repossessed if you do not keep up with the payment.
