Can United Trust Bank change the interest rate?	Yes. This is a tracker variable rate and can therefore move up and down in line with the Bank of England base rate. Any change to the BoE rate will be applied to your account within three days following the change. We will notify you of an interest rate change by letter or email as well as publishing this on our website. United Trust Bank will not change the margin rates on this product.																		
What would the estimated balance be after 12 months based on a £5,000 deposit?	The estimated balance after 12 months following expiry of 6 month introductory rate and 6 months of the standard rate: £5,182.50 The projection assumes that the BoE rate of 4.00% does not change and does not take into account fluctuation to the Bank of England Base Rate, or withdrawals or deposits made into the account. The projection provided is for illustrative purposes only and does not take into account individual circumstances.
