First 12 months: **Introductory Bonus Rate:** **0.90%** | **Margin (above BoE):** **+0.15%** | **Gross Rate:** **4.15%** | **AER*:** **4.15%** After 12 months bonus period: **Introductory Bonus Rate:** **0.00%** | **Margin (below BoE):** **-0.75%** | **Gross Rate:** **3.25%** | **AER*:** **3.25%** To access and monitor the Bank of England Bank Rate visit www.bankofengland.co.uk The interest is calculated daily using the cleared balance of the account and paid annually on 31st October, and at the point of closing your account. * AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year.
Can United Trust Bank change the interest rate?	Yes. This is a tracker variable rate and can therefore move up and down in line with the Bank of England base rate. Any change to the BoE rate will be applied to your account within three days following the change. We will notify you of an interest rate change by letter or email as well as publishing this on our website. United Trust Bank will not change the margin rates on this product.
What would the estimated balance be after 12 months based on a £5,000 deposit?	**£5,207.50** The projection assumes that the BoE rate of 4.00% does not change and does not take into account fluctuation to the Bank of England Base Rate, or withdrawals or deposits made into the account.
